

# South Korea Jeju Island

Your Gifts Make a Difference . . . One Life at a Time!

## Ministry Description

The Word of Life Bible Institute on Jeju Island has a very dynamic student life atmosphere while seeking to develop the spiritual, social, and disciplinary aspects of each student's life. Students spend the year focusing on the Word of God while developing the disciplines needed to succeed in their future ministry or vocation. And we also have fun! This island has everything from hiking up Halla mountain (South Korea's highest peak) to relaxing on the sands of Iho beach; from riding horses to catching sunrises and sunsets over the ocean. There is biking and fishing and jet skiing and snorkeling and scuba diving and ... well you get the picture. This is a beautiful island and that's why more than 5 million tourists came here

At the Word of Life Bible Institute you will also find a staff and faculty that care about your success as an individual as well as your personal growth. You will make godly friendships that will last a lifetime and hope you can say "that was one of the best years of my life."

## Country Description

Word of Life Bible Institute is a ministry of Word of Life Fellowship International. Founded in 1940 by Jack Wyrzten, Word of Life has grown into a world-wide ministry, active in some 60 countries on six continents. Whether you study at our new campus on beautiful Jeju island in Korea, just 15 minutes from Halla mountain, Iho beach and the Jeju International Airport or at Schroon Lake, New York surrounded by the majestic Adirondack mountains, or on the campus in Hudson, Florida enjoying the tropical breezes of Tampa Bay, or in Owen Sound, Ontario, Canada near beautiful Georgian Bay, you will realize that Word of Life Bible Institute is a great place to grow in the Lord. The adventure of the Bible Institute will give you the ability to find real stability in your walk with the Lord and the encouragement to share it with others.
