Word of Life Jeju

In the spiritually dark countries of Asia, Word of Life Jeju seeks to draw in young college-age students in order to disciple them, teach them the Bible, and send them back out to their home countries and all over the world to share the Gospel and disciple others.

3 John 5-8

Beloved, it is a faithful thing you do in all your efforts for these brothers, strangers as they are, who testified to your love before the church. You will do well to send them on their journey in a manner worthy of God. For they have gone out for the sake of the Name, accepting nothing from the Gentiles. Therefore, we ought to support people like these, that we may be fellow workers for the Truth.
