

RAIZ IS AN EDUCATION- BASED AND CULTURALLY SENSITIVE ORGANIZATION THAT SEEKS TO REHABILITATE UNDERDEVELOPED COMMUNITIES IN THE DOMINICAN REPUBLIC.

We are so Grateful for the faithfulness and love and support.

We have a praise we found a great avenue for Christian counseling that our church contracts with. I feel it will be great for the Raiz staff.

Some of our prayer needs are-

- Guidance and resources favor for narrowing our focus.
- Personal finances
- Additional staff- media- videographer- marketing- spanish- english speaking pastor.
- Surf church and beach outreach.
- Prayer and favor for the 5 teams we have coming.
- Feeding program/ permaculture- resources for this ministry and staff.

Holly health -her auto immune disease is wreaking havoc on her body- also please pray for finances for her Healthcare. Between doctors and therapist it is quite expensive.

Teams health and protection for us. We definitely have a target on our back- the enemy is trying to throw us off with fear and attacking our health- however his tactics will not work . Pray for our strength and energy.

We are in need of a resource center for our church, educational, raiz office and staff team housing.

Garland personal finances- our giving has been really down- I know many are struggling this time of year.

Sorry I know this is a lot to unpack.

We love you and we are so incredibly appreciative of FBW.

We are happy if you want to share this with whoever you feel led 😊

Desperate times calls for desperate measures. ❤️🙏

We have a easy way to give online.
